\*The full list of incoming correspondence from 14<sup>th</sup> Oct- 7<sup>th</sup> Nov. can be viewed on the parish council website

SG also drew Cllrs’ attention to further correspondence received since the Agenda was issued:-

## 1937

- 17<sup>th</sup> Nov from Melissa Camilleri PCSO re. a date for the next community consultation. **SG has confirmed this will be from 11-12 on 14<sup>th</sup> January in the British Legion café.**
- 18<sup>th</sup> Nov from the Wilts CC Rough Sleeper Team Leader re. the rough sleeper count and survey response. **ACTION – SG**
- 18<sup>th</sup> Nov from Emma Painter, Wilts CC Transport Planning Assistant to advise us she is transferring to another role w.e.f. 1<sup>st</sup> December. **For info.**

### **Public Forum - Parish Council Standing Orders were temporarily suspended for this item**

A Ramsbury resident living next to the Upcot Field site spoke about his concerns about

- the danger of the traffic access indicated at the top of the developer's current sketch plans of the site, being right on the bend on Whittonditch Road, and
- a precedent being set that could start an avalanche of applications if this development were approved as it lies outside the area for development.

These matters were discussed and SG and DB explained that the PC found it impossible to comment at this early stage as no detailed plans had yet been provided. The Planning Committee will be following this proposed development closely.

Two Axford residents spoke about their safety concerns in relation to speeding traffic through their village and whether a 20mph speed restriction could be brought in. The ensuing discussion covered the unlikely effectiveness and the unenforceability of a reduced speed limit, the density of the parking along the roadside making any sort of footpath (including a virtual footpath) impractical, a community speedwatch initiative by Axford residents, and more Walkers In Road signs.

DB was asked to contact Aster to look into whether any more parking spaces could be made available to current residents in their car park.

**ACTION - DB**

BM volunteered to apply for a 20mph speed limit on behalf of the residents of Axford.

**ACTION - BM**

## 6(ii) Finance

*Erica Hodgson*

- 2025-26 PC budget review – EH was not at the meeting but SG asked if Cllrs. had any questions about the budget. There being no questions, approval of next year's budget and precept request will be sought at the December meeting.
- Correction to Invoice Ref. I4114 – the clerk drew councillors' attention to an error in the amount of this invoice from HP Instant Ink listed for payment at the September meeting. The total amount of the bill was £11.99, not £100.74.
- 2025 Grass-cutting quote – this contractor is the PC's only SSJ. The Finance Committee having approved his quote, the Clerk has written to accept it.
- £20,000 has been transferred to deposit a/c – for information.
- SG said that if the May 2025 parish council seats up for re-election are contested the cost to the PC will be approx. £3,500 (i.e. £1.70 per elector). This sum of money has been held in reserve from this year's budget. However, if a Wiltshire Council unitary election is also held the PC will be charged only 50% of any cost incurred.
- SG asked for Cllrs' approval to donate approx. £75.00 towards the cost of the Remembrance Day lamppost poppies this year. These can be re-used. **APPROVED – Proposed MW; Seconded MT**

## 6(iii) Rights of Way

*Lynn Jauncey*

- Monthly walk on 3<sup>rd</sup> November – was kindly lead by Ian Ritchie. There was a good turn out and everyone enjoyed some lovely tea and cake at Hilldrop. The December walk will be the Loves Wood Loop on Sunday 1<sup>st</sup> December, leaving at 2pm from The Square and returning to The Square for mulled wine and mince pies.
- Repair to the bridge at Seven Bridges – LJ said this still had not been done and the damage is worsening. LJ has chased this up with Stephen Leonard and requested the bridge is inspected urgently.
- Footpath 21 – this blocked footpath has now all been cleared.
- Footpath RAMS21 signage – has been mended but RAMS27 may not have been rectified yet. LJ will check.

**ACTION - LJ**

## 1939

### 6(iv) Play Areas and Seats

*Denise Edwards*

- Failed play equipment at Whittonditch play area - DE reported that the “pick-up-sticks” climbing frame has very recently collapsed, having been found to be rotting in places (a problem not evident as recently as this autumn’s RoSPA safety inspection). It was immediately taped off and six danger signs mounted on it warning that it should not be used. SG and DE are anxious that this installation should be dismantled and removed very urgently, and SG will find a local contractor to carry this out asap. SG proposed that the junior swing (which was installed at the same time) should also be removed and replaced as a safety precaution. This was agreed. **ACTION – SG**  
**UPDATE The equipment will be removed 02/12/24 and a new swing set installed soon.**
- New equipment for Axford – SG will be chasing Red Lynch for a confirmed installation date, hopefully this side of Christmas – weather permitting. **ACTION - SG**
- Proposed action re. new equipment at Whittonditch – DE commented that, given the sudden failure of the wooden climbing frame noted above, much care will need to be taken about the robustness and longevity of whatever new equipment may be chosen next year.
- Tree works at Whittonditch - have been done and the ground is being left to settle.

### 6(v) Emergency Committee

*Alison Foale*

- Meeting with Ramsbury Manor Trustees – SG and AF are drafting a response to Philip Perry’s last emails. **ACTION – SG/AF**
- Flooding meeting in Marlborough deferred to 3<sup>rd</sup> Dec – SG will try to attend. **ACTION - SG**
- Salt bins checked – and all are full
- Axford Village Hall generator check has been done. Ramsbury’s will be checked soon.

### 6(vi) Environment Committee

*Maggie Waugh*

- Community Orchard feasibility study – MW said that the comments from November’s meeting had been taken on board and a new breakdown of costs based on six apple trees (mixed varieties between 1.2 and 1.3m high) would total £650 or so. DE advised that larger trees would probably be a wiser investment, given the risk of a higher failure rate with such immature saplings, although the purchase price might double the cost. A WC grant may be obtainable towards the cost and, if not, LJ raised the possibility of local businesses being approached about sponsoring a tree each – something that had been done successfully in the past at the Recreation Centre.
- Picnic benches for the community orchard – DE and SG are investigating and will seek quotes. **ACTION – SG/DE**
- Nature Reserve photos – CM said he did not have any photos of the Nature Reserve so BM was asked to go ahead and take some for the website. **ACTION - BM**

## 7. AXFORD

*Diann Barnett*

- DE reported that there will be a power outage from 08.00-13.00 on 30<sup>th</sup> November for work on upgrading the power lines. As far as we are aware no residents will need any help with this.
- There will be Bingo in the Village Hall on 14<sup>th</sup> December.

## 1940

### 8. LOCAL HIGHWAYS & FOOTPATHS IMPROVEMENT GROUP

*Sheila Glass*

The next meeting will be on 30<sup>th</sup> January. (Ref. Union St. one-way proposal; Ref. 20mph in Axford).

**ACTION - SG**

### 9. MARLBOROUGH AREA BOARD

*Sheila Glass*

Next meeting on 3<sup>rd</sup> December will be on "All Things Policing" and will be attended by the Wilts PCC. SG will attend.

**ACTION - SG**

### 10. ALLOTMENTS

*Denise Edwards*

DE reminded councillors that the AGM will be held on 21<sup>st</sup> November at 7.00 p.m. in the Lychgate Room. Allotment plots are currently available to new applicants.

### 11. WEBSITE

The most recent Google analytics report had been circulated and SG had nothing else to report, except that she always found the hosts (TEEC) very helpful and quick to respond to requests for information or assistance. MT noted that 50% of the traffic is coming from mobile-phone-users so we should bear that in mind when designing the site.

### 12. UNION STREET ONE-WAY NORTHBOUND

*Sheila Glass/Lynn Jauncey*

LJ is to contact all the Union Street residents to canvas their opinions on various aspects of this proposal and will report back at the December meeting.

**ACTION - LJ**

### 13. PEDESTRIAN CROSSINGS

*Alison Foale*

AF has been in touch with the Primary School Head and with the resident who raised this matter, about getting together to discuss practicalities and possible options, and is awaiting their replies.

### 14. VILLAGE MAINTENANCE

*Sheila Glass*

- Village general noticeboard – The PO building owner has approved one of the proposed noticeboard designs tabled at the last meeting, to be mounted on the front wall to the right of the right-hand shop window. SG will measure up and aim to get the biggest size possible to fit the available wall space. Cost will depend on the size and SG sought approval to spend up to £500 (nett of VAT). **APPROVED.** The plan is that the PO staff will be the holders of the key and will have the job of putting up and taking down notices.
- Broken bus stop sign in Oxford Street – SG said this has still not been fixed. She will chase up Stagecoach. **ACTION - SG**
- Abandoned cars in the Whittonditch recycling area – an apparently abandoned Land Rover and two SORNED cars (a VW and a BMW) have still not been removed. SG and BM are contacting MyWilts and also making further enquiries with the DVLA about the owners. **ACTION – SG/BM**
- Christmas trees – this year's trees will again be put up by Ramsbury Estates. Permission has been granted for the electrical supply to be run across the road. The trees will be up and lit by the beginning of December. Carols Around the Tree on 16<sup>th</sup> December at 7pm.
- SG will be away for the carol service on 15<sup>th</sup> December so MT kindly volunteered to go instead to do one of the readings. **ACTION - MT**

# 1941

## 15. MEMORIAL GARDEN

*Sheila Glass*

SG said the garden has been replanted with 200 daffodils and 80 hyacinths and hoped the churchyard squirrels will not eat them all, as they did last year. She expressed her thanks to Mary Holdsworth for her help with planting and putting in the Remembrance Day poppies.

## 16. PARISH STEWARD'S ROTA

*Clerk*

Next visit will be on 4<sup>th</sup> December.

**ACTION – CLERK**

## 17. LIBRARY

No report

## 18. MEMORIAL HALL

*Sheila Glass/George Hawes*

No report.

## 19. NATURE RESERVE

*Chris Morgan*

CM reported that the boardwalk is clear.

## 20. RECREATION CENTRE

*George Hawes*

No report.

## 21. RAMSBURY SCHOOL

*Roger Greasley*

RG reported that the school roll currently stands at 197, i.e. 23 less than capacity. The PTA's Christmas Market will be on 6<sup>th</sup> December from 5-7pm. The school carol service will be on Friday 20<sup>th</sup> December at 1.30. School breaks up on 20<sup>th</sup> December. New term starts on 6<sup>th</sup> January 2025.

## 23. VANDALISM/CRIME

Nothing to report.

## 24. PATIENTS' REPRESENTATIVE

*George Hawes*

No report
